In response to the 4/6/21 FEC notice regarding the 30 Day Post-General Report (10/15/2020 - 11/23/2020),The Markey Committee mistakenly reported the 10/16/20 contribution from William Poorvu during 48-hour reporting, but the contribution was actually for The Markey Victory Fund. The contribution was reported on the Markey Victory Fund Post General report, but not reported on the The Markey Committee Post General report.
