This filing is in response to a letter from the Commission dated 1/7/2021 requesting additional information about the 30 day Post-General Report. The letter notes that the Committee filed a 48-hour notice that included 2 donations dated 10/23/2020 that did not appear on the Post-General report. These donations were received by the joint fundraising committee Wittman Victory Committee. not by the Committee directly. Wittman Victory Committee is an affiliated committee to Rob Wittman for Congress. Because these donations were received by an affiliated committee, the Committee reported them on the 48-hour reports to make sure that all information was available during the pre election period. The Committee did not receive these donations from the affiliated committee during the period covering the 30-day Post-Election report, therefore the donations were not on that report. The Committee will include these donations as part of the regular report to the Commission that covers the period the Committee received the distribution from the affiliated committee.
