Response to Request for Additional Information Committee: People for Ola Committee ID: C00917419 RFAI Image Number: 202602230300341388 Reference Period: Year-End Report (10/01/2025 - 12/31/2025) Response Due Date: 03/30/2026

People for Ola (C00917419) hereby responds to the three items raised in the Commission's Request for Additional Information dated February 23, 2026, concerning the committee's Year-End Report covering the period October 1 through December 31, 2025.

By way of context, the committee experienced a change in treasurer immediately prior to the close of the reporting period. Since that transition, the new treasurer has been working diligently to review all contributions for permissible source, proper attribution, and compliance with applicable contribution limits. The corrective actions described below are the result of that review. All remedies not yet reflected in a filed report will be disclosed on the committee's April Quarterly Report.

ITEM 1 - APPARENT EXCESSIVE CONTRIBUTIONS FROM INDIVIDUALS

Alan Blair: The contributions attributed to Alan Blair in the RFAI reflect disbursements from the committee's joint fundraising committee, Ola Victory Fund. Of the \$3,500 JFC transfer attributed to Mr. Blair and designated to the 2026 Primary election, \$212 was permissibly redesignated to the 2026 General election on March 5, 2026. Mr. Blair's total contributions are within applicable limits for both elections. This redesignation will be reflected as a memo entry on the committee's April Quarterly Report.

Estephan Daher: Mr. Daher's \$12,000 contribution, which appeared excessive as designated entirely to the 2026 Primary election, has been addressed through a permissible reattribution. Specifically, \$5,000 of the contribution was reattributed to Mr. Daher's spouse, Azi Daher, with written authorization. The contribution is now properly designated as \$3,500 to the 2026 Primary and \$1,500 to the 2026 General, with each contributor's allocation within applicable limits. This reattribution will be reflected on the committee's April Quarterly Report.

Julio Gonzalez: The contributions attributed to Julio Gonzalez in the RFAI reflect disbursements from the committee's joint fundraising committee, Ola Victory Fund. Amounts attributed to Mr. Gonzalez in excess of applicable limits have been refunded to the JFC on March 5, 2026. The JFC will reattribute those funds within permissible limits on its April Quarterly Report. This refund will also be reflected on the committee's April Quarterly Report.

Daniel Newlin: The contributions attributed to Daniel Newlin in the RFAI likewise reflect disbursements from the committee's joint fundraising committee, Ola Victory Fund. Amounts attributed to Mr. Newlin in excess of applicable limits have been refunded to the JFC on March 5, 2026. The JFC will reattribute those funds within permissible limits on its April Quarterly Report. This refund will also be reflected on the committee's April Quarterly Report.

ITEM 2 - CONTRIBUTIONS FROM POSSIBLE PROHIBITED ENTITIES

Daher Contracting Inc.: Upon review, the committee determined that the \$25,000 contribution from Daher Contracting Inc. was a corporate contribution prohibited under the Federal Election Campaign Act. A full refund of \$25,000 was made to Daher Contracting Inc. on January 2, 2026. This refund will be reflected on the committee's April Quarterly Report on Schedule B supporting Line 20(a).

Century Protective Services: Upon review, the committee determined that Century Protective Services is a corporation and is therefore a prohibited source. A full refund of the net contribution amount is being processed and will be reflected on the committee's April Quarterly Report on Schedule B supporting Line 20(a).

The committee acknowledges the Commission's notice regarding Schedule B disbursements disclosed as reimbursements to for candidate paid expenses. The committee will file an amended Year-End Report to include the required memo entries on Schedule B, identifying the name and address of the original vendor and the date, amount, and purpose of each underlying purchase, for all vendor payments aggregating in excess of \$200 in the election cycle. The committee is in the process of compiling the supporting documentation necessary to complete these memo entries accurately.

The committee appreciates the Commission's attention to these matters and is committed to full compliance. All remedies described herein that are not yet reflected in a filed report will be disclosed on the April Quarterly Report. The committee will retain all records of refunds, redesignations, and reattributions as required.
