A diagram of a rectangular frame structure. It consists of two horizontal members (top and bottom) and ten vertical members. The vertical members are arranged in two groups of five, with one group on the left and one on the right. The top horizontal member is connected to all five vertical members on the left and all five on the right. The bottom horizontal member is also connected to all five vertical members on the left and all five on the right. This results in a total of 12 members (2 horizontal + 10 vertical).
