This responds to the Commission’s request for additional information dated September 25, 2025. At this time, the committee intends to spend its remaining funds on contributions to federal, state, and local candidates as permitted under 11 C.F.R. 113.2(d)-(e) and will then terminate. If, at some later time prior to termination the committee decides to convert to a multicandidate political committee, it will notify the Commission by filing an amended Statement of Organization.

Thank you.
