IDENTIFICATION NUMBER: C00441352

REFERENCE: JULY QUARTERLY REPORT (04/01/2021 - 06/30/2021)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule B supporting Line 20(a) and 20(c) discloses refunds of contributions that do not appear to have been previously reported by your committee. This may be caused by the committee not reporting the original contributions, receiving original contributions that were designated to different elections than the refunds, and/or refunding amounts greater than the original contributions.

Please review the election designations for all refunds on the report and ensure they were accurately disclosed.

Please amend the appropriate report(s) to disclose the original contributions or provide clarifying information regarding the election designations on Schedule B. (52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)) and 11 CFR § 104.3(a) & (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
