I am running for President of the United States to take our government back for the working people. To recommend they vote for no party and to vote to have a constitutional convention by getting rid of democrats and republicans and vote independents who will be on board with reforming our system of governance as a whole. It is old antiquated and slow and just as broken down as many of the blowhards taking corporate bribes called dark money. This is the only way to save our planet. May GoOD Bless each of you and may GoOD bless America!
