Claimant was associated with the campaign during the primary period. The campaign and the claimant terminated the relationship. A dispute has arisen over the value of the services, whether the services were properly performed, and whether any contractual relationship existed between the parties. The inclusion of \$2500 is the estimated amount we understand the claimant demands and not an admission by the committee that any amount is due to claimant. Claimant listed as anonymous due to nature of relationship between the parties and the expectation of privacy inherent in that relationship. Committee reserves the right to assert additional claims against the claimant not listed above if the claim results in litigation. The failure to enumerate those claims here does not constitute a waiver of them,
