The Lou Correa for Congress committee received two notices. The first notice is for the amended 30 Day Post-General Report (10/17/2024 ? 11/25/2024) and the second notice is for the amended Year-End report (11/26/2024-12/31/2024). Both notices have requested information regarding the amounts on Line 15 of the Detailed Summary Page and requested information as to why the amounts changed from the original reports.

During 2024 the committee had problems with reconciling the bank accounts as well as other issues with its existing software provider. In 2025 the committee changed software providers and we found several issues with the 2024 reporting. We amended several 2024 reports to correct 2024 issues.

The amended 30 Day Post-General Report (10/17/2024 ? 11/25/2024) showed an increase on Line 15 in the amount of \$12,312.47. This amount changed due to a correction of the interest earned from US Bank in the amount of \$12, 312.47 that was incorrectly reported on the amended Year-End report (11/26/2024-12/31/2024).

The amended Year-End report (11/26/2024-12/31/2024) was corrected to move the correct of \$12,312.47 US Bank interest income to the 30 Day Post-General Report (10/17/2024 ? 11/25/2024). The original Year-End report (11/26/2024-12/31/2024) did not have the correct US Bank interest income so that is why there is \$6.86 difference.

By amending both reports, we have reported the correct amounts from US Bank as reflected on the bank statements.
