Upset at lack of ethics

Conservative Leader Dr. Jody Hice Announces Campaign for Congress

For Immediate Release

Contact: 404-630-8214

Dr. Jody Hice, a nationally-syndicated conservative radio talk show host heard on 400 stations, is a Republican candidate for Congress in Georgia's 7th District. He issued this statement:

"The economic and military greatness of the United States and the uniqueness of American liberty are endangered by the left-wing folly of President Obama and the Democrat-controlled Congress. As a member of Congress I will be loyal to the Constitution, and I will fight to restore fiscal and moral sanity to government. We must stop outrageous federal spending. No more bailouts or phony stimulus packages. Repeal Obama's so-called health care reform. Restore the American Dream by re-establishing free market economics.

My priority is getting Americans back to work by getting government out of the private sector, and by abolishing the current system of taxation which destroys economic growth and job creation.

Socialism doesn't work and is incompatible with liberty. Government doesn't create jobs. We must get back to economic liberty."

Since 2003 Jody has been in the public arena, defending the Constitution and fighting for our rights. He founded Ten Commandments-Georgia, Inc. which raised funds to defend Barrow County against the ACLU lawsuit to force removal of the Ten Commandments display in its Courthouse. This saved taxpayers hundreds of thousands of dollars.

Shortly thereafter, Jody established Let Freedom Ring, Inc. to continue defending constitutional liberty. LFR sponsors *The Jody Hice Show* and *Hope for America Rallies* across the nation.

In September, 2008 Jody, joined with 33 pastors in challenging an IRS code that threatened churches with loss of tax-exempt status and with criminal sanctions if they addressed political issues from the pulpit. Hice took his bold stand by formally endorsing a candidate in his sermon and sending a copy of it to the IRS. The IRS backed down.

Jody is a member of the NRA and an ardent advocate of the Second Amendment right to keep and bear arms.

Jody and his wife, Dee Dee, have been married for 27 years. They reside in Walton County and are the parents of two adult daughters.

Jody Hice Talking Points Tim Bryant Show

Why I am a candidate: *Liberties & distinctive foundations are at high risk, threatened & endangered by the left-wing folly of Obama & Dem controlled Congress. We face great problems in America today that must be approached w/ purity of heart & integrity of purpose like at no other point in our nation's history. I know this is not about me or my ego... it is about saving our nation!*

Health Care Reform:

1. Obamacare is not real reform. It is massive government intrusion into the private sector and into our lives.
2. It puts government in charge of another 18% of our economy and pushes us further down the road to socialism. It is backdoor wealth re-distribution.
3. It will not increase access to care >>> it will result in more patients and fewer doctors. Fewer doctors because they do not want to become virtual government employees, be told how to practice their profession, and be denied the opportunity to earn an income commensurate with their education and investment.
4. It will not decrease cost and it will raise taxes.
5. It will lead to rationing.
6. As has been said, it will destroy the greatest quality of care in the world and replace it with a system that has the efficiency of the Post Office and the compassion of the IRS.

*Cap & Trade - Cap & Tax Radical Environmental deal - to raise Caps amount of carbon units a company can use - they can trade units w/ other companies.
Will drive up costs (utility)
" disadvantage US in world economy because they aren't buying into it.*

Economic Growth and Jobs

1. The American Free Enterprise system has created the greatest prosperity in the history of the world.

10030294687

2. I am an advocate of free market economics. Socialism is anti-American and incompatible with liberty, personal initiative, and productivity. Socialism is a fool's dream based upon envy and greed.
3. Obamanomics is wrong in every dimension. Raising taxes on investment, savings, and productivity is always wrong, but in the midst of a deep recession, it is just plain stupid. No rational person would do so, unless it is intended to disrupt the economy so that the very fabric of our society can be radically altered.
4. The greatest economic stimulus is to abolish the current system of federal taxation. Abolish personal and corporate income taxes. Get rid of estate taxes and capital gains taxes. End the IRS. I support the **Fair Tax** (a national consumption tax in place of, not in addition to existing taxes.)

Energy Independence

1. Foolish to rely on foreign sources when we have the resources right here.
2. Drill here. Drill now. American Energy. American Jobs.
3. Advance alternative forms of energy. Nuclear. Wind. Solar. Hybrid and electric cars.

Military and National Defense

1. Peace thru strength
2. Obama is like Jimmy Carter: appeaser, reducing troop strength and weapons development, not supporting our allies (Israel), Honduras
3. Nuclear cuts are bad. Can't trust the Russians and the Chinese. Nukes are historically a deterrent. Russians have an advantage in tactical, conventional weapons and numbers of forces. Nuke reductions can upset the balance by eliminating our strategic advantage.
4. Iraq is dangerous, especially with nuclear weapons. Failing to be tough with Iraq.

Sign Treaty w/ Russia - US will not ever use nuclear countries that sign treaty against weapons. What about chemical or bio weapon attack?

Corruption

1. Obamacare examples: LA Purchase (Sen. Landrieu [Landrew]), Cornhusker Kickback (Sen. Ben Nelson)
2. Czar's are a shadow government

10030294688

Birther Question:

Obviously that question is a concern to lots of Americans. However, the national media has reduced it to a distraction at best or at worst a trap for candidates who chose to go down that road.

That just is not the focus of my campaign. I am focused on getting Americans back to work by allowing the free enterprise system to function, by reducing taxes, and limiting government.

Why can you win:

I am going to win this election because I best represent the values of the people of the District, not just in the sense of what we think on issues, but in the sense of being truly one of them. I am not a either a professional politician or a political operative. I do not have an Under the Dome or Inside the Beltway mentality.

I have spent 25 years of my life listening to and helping people.
