Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Line 23 of your report discloses a \$3,198.44 in-kind contribution paid to your connected organization on behalf of an unidentified candidate/committee for which you state "contribution refunded on next report." However, your July Monthly Report (6/1/07-6/30/07) does not disclose any refunded contributions. Please clarify this activity and amend your report(s) to disclose the contribution refund.

Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
