NAME OF COMMITTEE (In Full)

**Democratic Party of Oregon****RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT ACTIVITIES APPEARING ON THIS REPORT.**

Methods of allocation :

- I. FUNDRAISING activities are allocated using the 'funds received method' where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity.  
**For PACs Only** : Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.

We are in receipt of your letter dated July 11, 2007 regarding the April Monthly Report. The contributions that you questioned that appear to be from corporations are not from corporations. They are from Partnerships and Sole Proprietorships that are not prohibited contributions. These contributions have been attributed to the Partnerships and the Partners or to the Sole Proprietorship and the Sole Proprietor. The receipts reported on Schedule A Line 15 from Wyden for Senate Future PAC and Multnomah County Democratic Central Comm. are offsets for the payment of rent. The Democratic Party of Oregon shares office space with several organizations. We write one check to pay rent. The amount of rent paid by each organization is assessed at the usual and normal charge, determined by the amount of space occupied by the organization. Schedule B does report the value of in-kind contributions as disbursements. These transactions can be identified in the purpose field. They are reported as Auction Item followed by a description of the item donated. Occupation and Employer information missing on the original report was requested through Best Effort procedures in compliance with the FEC. Original solicitations include the request for contributor information as required by Federal law. If we do not receive the information we follow up with a telephone or written request. This report includes updates received subsequent to the original filing through our Best Effort procedure. We have not received the requested information from two contributors. Their records indicate Best Effort in the occupation and employer fields. If we are able to obtain this information we will report it to the FEC. Payments for salaries and wages reported on Schedule H4 are for employees who spent less than 25% of their time on FEA or activities in connection with a Federal election. Employees who spend more than 25% of their time on FEA or activities in connection with a Federal election are paid with 100% Federal funds as are their fringe benefits and reported on Line 30b. The reporting of corporate in kind donations in connection with fundraising activities has been corrected and properly disclosed. The individual who received payment for website development is not an employee of the committee, but doing work as an independent contractor. In addition we have been notified by the Democratic National Committee that the memo schedules for the OR Party Victory Fund joint fundraising program provided for the April Monthly report were incorrect. This report includes corrected schedules.
