Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward. Thank you for the opportunity to respond. Please contact us if you need any additional information.
