ADDITIONAL TERMS OF THE SECURITY AGREEMENT

GENERALLY - This agreement secures this note and any other debt I have with you, now or later. However, it will not secure other debts if you tell with respect to such other debts, to make any required disclosure about this security agreement or if you fail to give any required notice of the date of rescission. If property described in this agreement is located in another state, this agreement may also, in some circumstances, be governed by the law of the state in which the Property is located.

OWNERSHIP AND DUTIES TOWARD PROPERTY - I represent that I own all of the Property, or to the extent this is a purchase money security interest I will acquire ownership of the Property with the proceeds of the loan. I will defend it against any other claim. Your claim to the Property is loan. I will defend it against any other claim. I agree to do whatever you require to protect your security interest and to keep your claim in the Property ahead of the claims of other creditors. I will not do anything to harm your position.

I will keep books, records and accounts about the Property and my business in general. I will let you examine these records at any reasonable time. I will prepare any report or accounting you request, which deals with the Property.

I will keep the Property in my possession and will keep it in good repair and use it only for the purposes described on page 1 of this agreement. I will not change this specified use without your express written permission. I represent that I am the original owner of the Property and, if I am not, that I have provided you with a list of prior owners of the Property.

I will keep the Property at my address listed on page 1 of this agreement, unless we agree I may keep it at another location. If the Property is to be used in another state, I will give you a list of those states. I will not try to sell the Property unless it is inventory or I receive your written permission to do so. If I sell the Property I will have the payment made payable to the order of you and me.

You may demand immediate payment of the debt(s) if the debtor is not a natural person and without your prior written consent: (1) a beneficial interest in the debtor is sold or transferred, or (2) there is a change in either the identity or number of members of a partnership, or (3) there is a change in ownership of more than 25 percent of the voting stock of a corporation.

I will pay all taxes and charges on the Property as they become due. You have the right of reasonable access in order to inspect the Property. I will immediately inform you of any loss or damage to the Property.

If I fail to perform any of my duties under this security agreement, or any mortgage, deed of trust, lien or other security interest, you may without notice to me perform the duties or cause them to be performed. Your right to perform for me shall not create an obligation to perform and your failure to perform will not preclude you from exercising any of your other rights under the law or this security agreement.

PURCHASE MONEY SECURITY INTEREST - For the sole purpose of determining the extent of a purchase money security interest arising under this security agreement: (a) payments on any nonpurchase money loan also secured by this agreement will not be deemed to apply to the Purchase Money Loan, and (b) payments on the Purchase Money Loan will be deemed to apply first to the nonpurchase money portion of the loan, if any, and then to the purchase money obligations in the order in which the items of collateral were acquired or if acquired at the same time, in the order indicated by you. No security interest will be terminated by application of this formula. "Purchase Money Loan" means any loan the proceeds of which, in whole or in part, are used to acquire any

collateral securing the loan and all extensions, renewals, consolidations and refinancing of such loan.

PAYMENTS BY LENDER - You are authorized to pay, on my behalf, charges I am or may become obligated to pay to preserve or protect the secured property (such as property insurance premiums). You may treat those payments as advances and add them to the unpaid principal under the note secured by this agreement or you may demand immediate payment of the amount advanced.

INSURANCE - I agree to buy insurance on the Property against the risks and for the amounts you require and to furnish you continuing proof of coverage. I will have the insurance company name you as loss payee on any such policy. You may require added security if you agree that insurance proceeds may be used to repair or replace the Property. I will buy insurance from a firm licensed to do business in the state where you are located. The firm will be reasonably acceptable to you. The insurance will last until the Property is released from this agreement. If I fail to buy or maintain the insurance (or fail to name you as loss payee) you may purchase it yourself.

WARRANTIES AND REPRESENTATIONS - If this agreement includes accounts, I will not serve any account for less than its full value without your written permission. I will collect all accounts until you tell me otherwise. I will keep the proceeds from all the accounts and any goods which are returned to me or which I take back in trust for you. I will not mix them with any other property of mine. I will deliver them to you at your request. If you ask me to pay you the full price on any returned items or items taken by myself, I will do so.

If this agreement covers inventory, I will not dispose of it except in my ordinary course of business at the fair market value for the Property, or at a minimum price established between you and me.

If this agreement covers farm products I will provide you, at your request, a written list of the buyers, commission merchants or selling agents on or through whom I may sell my farm products. In addition to those named on this written list, I authorize you to notify at your sole discretion any additional parties regarding your security interest in my farm products. I remain subject to all applicable penalties for selling my farm products in violation of my agreement with you and the Food Security Act. In this paragraph the terms farm products, buyers, commission merchants and selling agents have the meanings given to them in the Federal Food Security Act of 1980.

REMEDIES - I will be in default on this security agreement if I am in default on any note this agreement secures or if I fail to keep any promises contained in the terms of this agreement. If I default, you have all of the rights and remedies provided in the note and under the Uniform Commercial Code. You may require me to make the secured property available to you at a place which is reasonably convenient. You may take possession of the secured property and sell it as provided by law. The proceeds will be applied first to your expenses and then to the debt. I agree that 10 days written notice sent to my last known address by first class mail will be reasonable notice under the Uniform Commercial Code. My current address is on page 1. I agree to inform you in writing of any change of my address.

FILED - A carbon, photographic or other reproduction of this security agreement or the financing statement covering the Property described in this agreement may be used as a financing statement where allowed by law. Where permitted by law, you may file a financing statement which does not contain my signature, covering the Property secured by this agreement.

GUARANTY

(City) Marietta (State) Georgia
NOVEMBER 10, 1988

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and to wit: EVERETT BAKER (herein, with its participants, successors and assigns, called "Lender"), at its option, at any time or from time to time to make loans or extend other accommodations to or for the account of JOHNNY BASKIN CAMPAIGN INC DBA GEORGIAN FOR SENATE (herein called "Borrower") or to engage in any other transactions with Borrower, the Undersigned hereby absolutely and unconditionally guarantees to Lender the full and prompt payment when due, whether at maturity or earlier by reason of acceleration or otherwise, of the debts, liabilities and obligations described as follows:

A. If this ☐ is checked, the Undersigned guarantees to Lender the payment and performance of the debt, liability or obligation of Borrower to Lender evidenced by or arising out of the following: _____ and any extensions, renewals or replacements thereof (hereinafter referred to as the "Indebtedness").

B. If this ☒ is checked, the Undersigned guarantees to Lender the payment and performance of each and every debt, liability and obligation of every type and description which Borrower may now or at any time hereafter owe to Lender (whether or such debt, liability or obligation now exists or is hereafter created or incurred, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or joint, several, or joint and several; of such debts, liabilities and obligations being hereinafter collectively referred to as the "Indebtedness"). Without limitation, this guaranty includes the following described debts: PROMISSORY NOTE DATED 11/10/88 IN THE LOAN AMOUNT OF \$1000.00

The term "Indebtedness" as used in this guaranty shall not include any obligations entered into between Borrower and Lender after the date hereof (including any extensions, renewals or replacements of such obligations) for which Borrower meets the Lender's standard of creditworthiness based on Borrower's own assets and income without the addition of a guaranty, or for which a guaranty is required but Borrower chooses someone other than the Joint Undersigned to guaranty the obligation.

The Undersigned further acknowledges and agrees with Lender that:

1. No act or thing need occur to establish the liability of the Undersigned hereunder, and no act or thing, except full payment and discharge of all Indebtedness, shall in any way exonerate the Undersigned or modify, reduce, null or release the liability of the Undersigned hereunder.

2. This is an absolute, unconditional and continuing guaranty of payment of the Indebtedness and shall continue to be in full force and be binding upon the Undersigned whether or not all Indebtedness is paid in full, until this guaranty is revoked by written notice received by the Lender, and such revocation shall not be effective as to Indebtedness existing or committed in at the time of actual receipt of such notice by the Lender, or as to any renewals, extensions and refinancings thereof. If there be more than one Undersigned, such revocation shall be effective only as to the one so revoking. The death or incompetency of the Undersigned shall not revoke this guaranty, except upon actual receipt of written notice thereof by Lender and then only as to the decedent or the incompetent and only prospectively, as to future renewals, extensions and refinancings.

3. If the Undersigned shall be dissolved, shall die, or shall he or become insolvent (however defined) or waive this guaranty, then the Lender shall have the right to declare immediately due and payable, and the Undersigned shall forthwith pay to the Lender, the full amount of all Indebtedness, whether due and payable or unmatured. If the Undersigned voluntarily commences or there is commenced involuntarily against the Undersigned a case under the United States Bankruptcy Code, the full amount of all Indebtedness, whether due and payable or unmatured, shall be immediately due and payable without demand or notice thereof.

4. The liability of the Undersigned hereunder shall be limited to a principal amount of \$ _____ (if unlimited or if no amount is stated, the Undersigned shall be liable for all Indebtedness, without any limitation as to amount), plus accrued interest thereon and all attorneys' fees, collection costs and enforcement expenses reasonable therein. Indebtedness may be created and continued in any amount, whether or not in excess of such principal amount, without affecting or impairing the liability of the Undersigned hereunder. The Lender may apply any sums received by or available to Lender as a result of the Indebtedness from Borrower or any other person (except the Undersigned), from their properties, out of any voluntary security or from any other source to payment of the excess. Such application of receipts shall not reduce, affect or impair the liability of the Undersigned hereunder. If the liability of the Undersigned is limited to a stated amount pursuant to this paragraph 4, any payment made by the Undersigned under this guaranty shall be effective to reduce or discharge such liability only if accompanied by a written receipted document, received by the Lender, reciting the Lender that such payment is made under this guaranty for such purpose.

5. The Undersigned will pay or reimburse Lender for all costs and expenses (including reasonable attorney's fees and legal expenses) incurred by Lender in connection with the protection, defense or enforcement of this guaranty in any litigation or bankruptcy or insolvency proceedings.

This guaranty includes the additional provisions on page 2, all of which are made a part hereof.

This guaranty is ☐ unsecured; ☐ secured by a mortgage or security agreement dated _____
☐ secured by _____

IN WITNESS WHEREOF, this guaranty has been duly executed by the Undersigned the day and year first above written.

ADDITIONAL PROVISIONS

8. Whether or not any existing relationship between the Lender and Borrower has been changed or ended and whether or not the guaranty has been renewed, Lender may, but shall not be obligated to, enter into transactions resulting in an extension or continuance of indebtedness without any notice or approval by the Undersigned and without any notice to the Undersigned. The liability of the Undersigned shall not be affected or impaired by any of the foregoing acts or things which Lender is expressly authorized to do, either singly from time to time, both before and after revocation of this guaranty, without notice or approval by the Undersigned. (i) any acceptance of collateral security, guaranties, accommodation parties or otherwise for any or all indebtedness; (ii) any one or more extensions or renewals of indebtedness (whether or not for longer than the original period) or any modification of the interest rates, maturities or other contractual terms applicable in any indebtedness; (iii) any waiver, adjustment, postponement, compromise or indulgence granted to Borrower, any delay or lack of diligence in the enforcement of indebtedness, or any failure to institute proceedings, file a claim, give any required notice or otherwise protect any indebtedness; (iv) any sale or partial release of, adjustment with, or agreement not to sue, Borrower or any other guarantor or other person liable in respect of any indebtedness; (v) any discharge of any judgment of indebtedness or the acceptance of any instrument in renewal thereof or substitution thereof; (vi) any failure to obtain collateral security (including rights of safety for indebtedness, or in case to the proper or suitable creation and perfection thereof, or to establish the priority thereof, or to protect, insure, or enforce any collateral security; or any release, modification, substitution, discharge, postponement, compromise, waiver, or loss of any collateral security; (vii) any forgiveness or enforcement of any collateral security; (viii) any transfer of any indebtedness or any liability thereof (but any order of allocation of any payments or credits upon indebtedness); (ix) any violation by the Lender under § 111(f)(2), of the United States Espionage Code.

7. The Undersigned will pay and all defense, claims and discharges of Borrower, or any other obligor, pertaining to indebtedness, except the defense of discharge by payment in full. Without limiting the generality of the foregoing, the Undersigned will not assert, plead or enforce against Lender any release of waiver, release, statute of limitations, non prosequere, statute of frauds, fraud, impropriety, minority, equity, illegality or unenforceability which may be available to Borrower or any other person liable in respect of any indebtedness, or any suit available against Lender to Borrower or any such other person, whether or not an exception of a related transaction. The Undersigned expressly agrees that the Undersigned shall be and remain liable, to the fullest extent permitted by applicable law, for any deficiency remaining after foreclosure of any mortgage or security interest securing indebtedness, whether or not the liability of Borrower or any other obligor for such deficiency is discharged pursuant to statute or judicial decision. The undersigned shall remain obligated, to the fullest extent permitted by law, to pay such amounts as though the Borrower's obligations had not been discharged.

4. The Undersigned further agree that the Undersigned shall be and remain obligated to pay indebtedness even though any other person obligated to pay indebtedness, including Borrower, has such obligation discharged in bankruptcy or otherwise discharged by law. "Indebtedness" shall include post-bankruptcy petition interest and attorneys' fees and any other amounts which Borrower is discharged from paying in which do not otherwise accrue to indebtedness due to Borrower's discharge, and the Undersigned shall remain obligated to pay such amounts as though Borrower's obligations had not been discharged.

2. If any payment applied by Lender to indebtedness is thereafter set aside, recovered, reassigned or required to be returned for any reason (including, without limitation, the bankruptcy, insolvency or reorganization of Borrower or any other obligor), the indebtedness to which such payment was applied shall for the purpose of this Warranty be deemed to have continued in existence, notwithstanding such application, and if its guaranty shall be enforceable up to such indebtedness or fully as it may apply within two years from date.

10. The Undersigned waives any claim, remedy or other right which the Undersigned may now have or hereafter acquire against Borrower or any other person obligated to pay a liability arising out of the creation or performance of the Undersigned's obligation under this guaranty, including, without limitation, any right of subrogation, contribution, reimbursement, indemnification, exoneration, and any right to participate in any claim or remedy the Undersigned may have against the Borrowers, co-borrowers, or other party obligated for Borrower's debts, whether or not such claim, remedy or right arises in equity, or under common, statutory or common law.

11. The Undersigned waives presentment, demand for payment, notice of default or nonpayment, and protest of any instrument evidencing indebtedness, together with not being required time or place for payment of the indebtedness by Banker or other persons of their profession, or first to enforce, realize upon or exhaust any collateral security for indebtedness, before enforcing this guaranty.

12. The liability of the Undersigned under this guaranty is in addition to and shall be cumulative with all other liabilities of the Undersigned in order as guarantor or otherwise, without any limitation as to amount, unless the instrument, or agreement or tendering or creating such stated liability specifically provides to the contrary.

"3. This guaranty shall be enforceable against each person signing this guaranty, even if only one person signs and regardless of any failure of other persons to sign this guaranty. If there be more than one signer, all agreements and promises herein shall be deemed to be, and are hereby declared to be, joint and several in each of every particular and shall be fully binding upon and enforceable against either, any or all the undersigned. This guaranty shall be effective upon delivery to Lender, without further act, condition or acceptance by Lender, shall be binding upon the undersigned and the heirs, representatives, successors and assigns of the undersigned and shall remain in the benefit of Lender and its particularly designated successors and assigns. Any invalidity or unenforceability of any provision or application of this guaranty shall not affect other lawful provisions and applications hereof, and to this end the provisions of this guaranty are declared to be severable. Except as authorized by the laws herein, this guaranty may not be varied, modified, amended, terminated, released or otherwise changed except by a writing signed by the undersigned and Lender. This guaranty shall be governed by the laws of the State in which it is executed. The undersigned agrees with Lender's acceptance hereof.
