RE: Heartland USA PAC (Committee # C00717223)

Dear Mr. Beckman:

This letter is in response to your letter dated October 24, 2022 indicating that information was missing from an independent expenditure reported on the October Quarterly Report for the above-referenced Committee.

In reviewing the October Quarterly Report, the only independent expenditure we identified with any missing information was an independent expenditure for billboard production and rental in the amount of \$5650 incurred with Wingert Sign Company on July 18, 2022. We are confused with how this entry on the October Quarterly Report did not check the box for "House" and fill in the "District" as "03." Both of these entries appear in the Independent Expenditure Report filed on July 19, 2022.

We have filed an amendment of the October Quarterly Report that checks the box for "House" and fills in the "District" as "03." We did not identify any other corrections needed on the October Quarterly Report. However, if you identify other missing information that needs to be provided, please let us know and we will promptly address any additional missing information.

incerely. Imes 🧭 Thomas III
