The disbursements on Schedule B line 21b are neither for any Federal Election Activity nor do the disbursements promote, attack, support, or oppose any Federal Elected Official or any Federal Candidate. The employees reported on the H4s are working less than 25 percent of their compensated time in a given month on Federal election activity or activities in connection with a Federal election. No expenditures made for Fundraising Consulting on Schedule H4s were made for any specifically identified federal candidates or associated with fundraising activity conducted for our Federal and non-Federal accounts. MRP is reporting Fair Market Value in-kind expenditure to candidates for ballot signature collection. MRP staffers collected signatures (but less than the 25% for the month for all FEA) and the value has been reported no funds were directly spent to collect signatures. . Al Hardwick at this time of report had not filed a candidate committee. The report shows a memo for a candidate and one for the candidate committee, due to software limits, this is how i had to report the link of the two. Please note we did not spend funds, this is an in kind disbursement at FMV.
