Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. The beginning cash balance of this report does not equal the ending balance of your Amended 2023 Year-End Report. Please correct this discrepancy and amend all subsequent reports that may be affected by the correction. (52 U.S.C. § 30104(b)(1) (formerly 2 U.S.C. § 434(b)(1)) and 11 CFR § 104.3(a)(1))
2. Schedule A of your report discloses information that inflates your cash on hand. Please be advised that the total amount of earmarked contributions received by a conduit should not be included in your Schedule A total. Rather, this amount should be reported as a memo entry on Schedule A. Please amend your report to correct this discrepancy. (11 CFR §§ 104.3(a)(3) and 110.6(c)(2))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
