This is in response to the RFAI dated December 22, 2022, regarding MeidasTouch's ("the committee's") failure to file the Post-General Report.

MeidasTouch participated in the Georgia Runoff Election; therefore, the committee is following the Georgia General Runoff reporting schedule as posted on the FEC website.

On November 24, 2022, the committee filed a timely Pre-Runoff FEC report.

On December 9, 2022, our FEC Analyst, Michael Beckman, was made aware that the committee is following the Georgia Runoff reporting schedule, as posted on the FEC website. We were assured that any failure to file notice from the FEC would be a computer-generated error.
