Reference OCTOBER QUARTERLY REPORT (07/01/2024 - 09/30/2024)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above-referenced report. Please see below for our complete response.

- 1)Concerning the excessive contributions from donors, William Easley, Peter McCann, Henry Preston, and Bob & Robert Stirm. Our committee unknowingly had duplicate records for these donors. This has been corrected, and excess donations have been refunded and will be included in the April Quarterly Report.
- 2)Concerning the excessive contributions from donor Jack Guenther. This is a father and son with the same business address and are not the same individual. Our reporting on these contributions was accurate.
- 3)All other contributions listed as excessive on our October Quarterly filing were temporarily excessive and pending reattribution or redesignation authorization from the donors. All of the excessive contributions listed on this RFAI have been resolved by reattribution, redesignation or refund, and those resolutions were included in the filed 12 Day Pre-Gen, 30 Day Post-Gen and Year End Report.
- 4)Concerning contributions from NOPAC LLC, this contribution was pending verification of permissible funds at the time of our original filing and has since been refunded and was reflected in our filed 30-Day Post Gen Report.
- 5)Concerning contributions received from possible unregistered organizations, all of the organizations in question have been verified as federally permissible funds.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Paul Kilgore, Treasurer
Bernie Moreno for Senate
