This responds to your requests for additional information dated September 22, 2022, regarding the Committee's July Quarterly Report and April Quarterly Report.

The Committee exercises its best efforts to collect information regarding, and to timely report contributions of \$1,000 or more received between two and twenty days before an election. In this instance, the contributions referenced in your letter were received by an agent of the Committee, but were not immediately transmitted to the Committee for reporting purposes. The Committee subsequently filed 48-hour reports disclosing the contributions.

The contribution associated with the refund to Denise Haynes was disclosed on the Committee's April 2021 Quarter Report.

The contributions associated with the refund to Carolyn Drozdiak were disclosed as two contributions appearing on the Committee's April 2022 Quarterly Report (one contribution in the amount of \$2,740 for the Primary Election and another contribution in the amount of \$760 for the General Election). The Committee will amend its report to revise the election designation of the refund identified in your letter.
