IDENTIFICATION NUMBER: C00082917

REFERENCE: JULY MONTHLY REPORT (06/01/2024 - 06/30/2024)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your committee filed a 24 Hour Report informing the Commission of independent expenditures made in support or opposition of a federal candidate with "GR Pro, LLC" as the payee. However, the date of disbursement disclosed on this report does not appear to correlate with the entry on Schedule E, supporting Line 24 for the reporting period. If your committee has filed 24 Hour Reports supporting independent expenditures not reflected on your reports, you must file Schedule E during the appropriate reporting period to disclose these payments. Please amend your report to clarify this discrepancy and provide further information concerning these reports. (11 CFR §104.4)

- For your information and consideration for future filings, Schedule B supporting Line 23 of the Detailed Summary Page discloses contributions to federal candidate committees designated for 2023 General Election. However, General Elections for Federal offices are not being held in these states during 2023. Contributions not designated for a valid election will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2)) For future filings, please include valid election designation(s) if applicable.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will

Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
