Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Form/Schedule: F3XA
Transaction ID:

We are filing this amended report in order to disclose an in-kind contribution of \$870 (see pgs 159 and 273) that was received by the PAC during the reporting period that was not included in the original filing. Additionally, a voluntary review of our records indicates that the election designation for several federal contributions was incorrect on the original report. Both items occurred due to incorrect and incomplete data provided by our previous vendor for this report. We do not anticipate this situation occurring again in the future. Please update your records accordingly.
