FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F2N****Transaction ID :**

As the President of the United States of America, I promise 22500 dollars worth of credit, on cards, to each living body of the United States, including those who are living after death. I will do so to relieve the United States of America's people during an economy that is not well, it is a harsh economy, a struggle for those working to survive. So that the money provided will be enough to provide all citizens and those in the after life, whatever need and want is had. I will also end the having of weapons, in a way that I plan on moving the National Guard, and Police Departments to confiscate all weapons. To make the United a Utopia, I will also ban all weapons in the Military. So all weapons will be banned.
