This is in response to the letter dated January 10, 2023 regarding 48-Hour notices.

The report for the American Medical Association PAC, John Angelos and Reginald Thomas contributions (all received 11/1/2022) was created, i.e., drafted electronically, but it was inadvertently not filed and only saved electronically in draft form.

The check from Severn Square Company LLC was received on 11/2/2022. However, it was not deposited and was returned. It was determined it was not acceptable.

There were duplicates on the reports filed on 11/3/2022 and 11/4/2022. The contributions listed in the letter were duplicated, partly as a function of the report saved in draft form and the form submitted in duplicate.

We apologize for these errors and will take care in the future to make sure all 48-Hour notices are fully filed, and not just drafted, in a timely manner. As a corollary, we will not file duplicates.
