The Angus King for U.S. Senate Campaign (“Committee”) files this response to the FEC September 24, 2024, request for additional information. The Committee timely provides this response, prior to the October 29, 2024, reply to deadline.

The FEC staff have inquired about an apparent duplicate filing of a 48-Hour report and ask that the Committee amend its July Quarterly Report to reflect additional contributions or provide an explanation of the apparent discrepancies.

The Committee filed duplicate 48-hour notices for the dates covering 5/31/24 to 5/31/24 to amend the report for a late contribution on 5/31/24 from James Pittman. The second-filed report was intended to be an amended report, and not a duplicative report. Despite the Committee’s selection of the amendment box within its parameters of the FEC reporting software system, the filing software apparently did not apply the amendment notice with its filing. The Committee apologizes for the discrepancy.

The Quarterly Report as filed accurately reflects the James Pittman contribution and no amendment is required.
