RE: 30 Day Post-General Report (10/15/2020-11/23/2020)

Dear Mr. Harkins,

This letter is in response to the Commission's request for additional information on the Committee's 30 Day Post-General Report.

1.The Commission notes that Schedule A supporting Line 12 of the Detail Summary Pages discloses transfer(s) that exceed the sum of memo entries. The cause of this difference is because the transfer from Defending the New Democrat Majority Fund was the final transfer from the Joint Fundraising Committee and was noted as such on the original report. However, at the request of RAD, an amendment will be filed to further clarify the transaction as "Final Transfer of Leftover Unitemized Funds.?"

2.Due to a clerical error, a duplicate 48-hour report was filed disclosing a \$1,000 contribution from IBEW PAC Voluntary Fund. Immediately upon identifying this error, the Committee amended its internal records and this single contribution was correctly disclosed on the Post-General report.

3.The Commission identified redesignation or reattribution of several contributions that appeared to be reported incorrectly. After reviewing each of these with their RAD Analyst, it was determined that the four individuals listed below were reported correctly on the original report and that no further action is required.

- Linda Quick
- Cisselon Hurd
- Gus Dwairy
- Kristine Wallace

Four additional reattributed/redesignated contributions are properly formatted and reflected in the amended Post-General Report.

If you need any additional information, please feel free to contact the Committee.

Sincerely,

Gordon Center
Treasurer
