RE: Year-End Report (10/01/2021 – 12/31/2021)

Dear Mr. Austin,

This letter is in response to the Commission's request for additional information on the Committee's Year-End Report.

- 1.The Commission notes that contributions disclosed on Schedule A supporting Line 11(a) appear to have incorrect election designations. In reviewing the Committee's records, it was determined that a clerical error occurred, and contributions were uploaded to the Committee's reporting software with incorrect information. The Committee has amended its report to disclose the correct election designations.
- 2.The Commission notes a contribution that appears to be from a Limited Liability Corporation (LLC) on Schedule A from WB Waste Solutions LLC. Upon receipt, the Committee noted the need to obtain additional information from the donor. The Committee made multiple attempts to seek additional information regarding the LLC but was unsuccessful in obtaining the necessary information. Therefore, the Committee refunded the contribution, and that refund will be disclosed on the Committee's Q1 report. A copy of the refund check will be mailed to the Federal Election Commission as requested.

If you need any additional information, please feel free to contact the Committee.

Sincerely,

Ifeoma Onyia
Treasurer
