IDENTIFICATION NUMBER: C90018904  
REFERENCE: APRIL QUARTERLY REPORT (01/01/2024 - 03/31/2024)

Dear Mr. Austin,

The following is offered in response to your letter dated May 28, 2024.

The total amount of contributions disclosed on Line 6 of Form 5 includes both itemized and unitemized contributions per the instructions for Form 5. Schedule 5-A disclosed \$117,394.00 in itemized contributions, \$680,846.68 in unitemized contributions, and \$798.240.68 in total contributions.

Form 5 includes no method by which accrued expenditures and debt can be disclosed so there are often timing differences between contributions and expenditures. The receipts are recorded by the date received and the independent expenditures are disclosed as they are incurred on Form 5, not by the date they are paid; therefore in some reporting periods the expenditures will exceed contributions and in some contributions will exceed expenditures because expenditures incurred in one period are often paid in subsequent periods.
