Secretary of the US Senate
Senate Office of Public Records
232 Hart Senate Office Building
Washington, DC 20510

Dear Secretary,

We have amended our 2nd Quarter 2011 report to show \$ 4,645.00 of additional itemized contributions that had been mistakenly included with the unitemized contributions on the original report. Some donors had more than one record and the donations became itemized when their duplicate records were properly combined. We do have a high level of unitemized donations, about 57% of our total donations are small contributions aggregating less than \$200.

Also, due to an error code in our database, some donations were showing up in the report as Line 15 contributions that were already reported in the line 11 a donations. These entries did not affect the totals.

Sincerely,

Martha Abbott
Treasurer
