In response to RFAI dated February 21, 2022, on March 28, 2022, we filed an amended October Quarterly Report for 2021. This amended report corrects election cycle designations for some contributions disclosed on Schedule A supporting Line(s) 11(a)(i) and 11(c). The original report included incorrect cycle designations due to a clerical data entry error. We have reviewed our internal data entry systems and have made changes so that we can avoid this error going forward.
