Adam Neil Arafat for Congress, FEC Committee ID C00914705, is closing out the 2026 campaign. The committee did not exceed the federal candidate/committee registration and reporting threshold because total contributions received and total expenditures made remained below \$5,000. The campaign has submitted a request to ActBlue to deactivate the fundraising account, disable new contributions, and stop recurring contributions. The committee is settling any remaining campaign expenses, refunds, and reimbursements from the campaign depository account and will close the campaign bank account after all final transactions clear. The committee requests termination/closeout treatment consistent with its below-threshold status and will retain ActBlue, bank, refund, reimbursement, and closeout records.
