WARNOCK FOR GEORGIA

Response Due Date
06/28/2021

IDENTIFICATION NUMBER: C00736876

REFERENCE: 30 DAY POST-SPECIAL REPORT (12/17/2020 - 01/25/2021)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Commission notes your additional explanation regarding the committee's corrective action taken for some of these contributions.

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,800 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The attached PACs did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

Please be reminded that all refunds, redesignations and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed.

For reattributions, the funds can be retained if, within 60 days of receipt, the excessive amount was properly reattributed to another person. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor who signed the check an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount was properly designated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt, the excessive amount must be refunded. (11 CFR § 103.3(b)(1))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question.

Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate and/or reattribute the excessive amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or a qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,800 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and their affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR §§ 110.1(b), (e) and (k), and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

The Commission notes your refund of some of these contributions. Please be reminded that all refunds, redesignations, and reattributions must be made within 60 days of receipt of the contribution. To date, one or more of the apparent excessive contributions have not been refunded, redesignated, or reattributed within the 60-day time frame. These contributions must be refunded immediately.

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating or reattributing the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed

WARNOCK FOR GEORGIA

Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to remedy the excessive amount will be taken into consideration.

3. Schedule A of your report discloses one or more contributions from an organization(s) which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 52 U.S.C. §§ 30116(f) and 30118 (formerly 2 U.S.C. §§ 441a(f) and 441b) or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(b) or (c), as applicable, of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

WARNOCK FOR GEORGIA

Page 5 of 6

4. Schedule B supporting Lines 20(a) and 20(c) discloses refunds of contributions that do not appear to have been previously reported by your committee (see attached). This may be caused by the committee not reporting the original contributions, receiving original contributions that were designated to different elections than the refunds, and/or refunding amounts greater than the original contributions. Please amend the appropriate report(s) to disclose the original contributions or provide clarifying information. (52 U.S.C. § 30104(b) (formerly 2 U.S.C. § 434(b)) and 11 CFR § 104.3(a) & (b))

5. Schedule A supporting Line 12 of the Detailed Summary Page(s) of your combined 2020 reports discloses transfer(s) that exceed the sum of memo Schedule A entries (see attached). Please note that the sum of memo Schedule A supporting a transfer(s) from a joint fundraising committee should be greater than or equal to the amount of the transfer(s).

Each participating committee shall report its share for **net** proceeds received from the joint fundraising committee as a transfer-in on Schedule A. A memo Schedule A must be provided to itemize your committee's share of the **gross** contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the election cycle and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. (11 CFR § 102.17(c)(8)(i)(B)) Please amend your report to include the missing Schedule A or provide an explanation for this apparent discrepancy.

6. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following descriptions: "Event Costs" and "Political Consulting." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement and a non-exhaustive list of acceptable purposes are available on the FEC website at <http://www.fec.gov/help-candidates-and-committees/purposes-disbursement/>.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
