Response Due Date

09/26/2024

IDENTIFICATION NUMBER: C00872473

REFERENCE: JULY QUARTERLY REPORT (05/30/2024 - 06/30/2024)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee filed a 48-hour notice disclosing a "last minute" contribution from Richard Jackson on 6/3/2024. Only a partial amount of this contribution has been disclosed on Schedule A of this report. Please amend your report to include the entire amount of this contribution or provide an explanation of this apparent discrepancy. (11 CFR § 104.3(a)(4)(i)) For each contribution received by a joint fundraising representative and subsequently transferred to your committee, please ensure that your report discloses the original date of receipt of the contribution by the joint fundraising representative in a memo entry supporting the transfer. The entry for the transfer itself should show the date the contribution was transferred to your committee by the joint fundraising representative.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
