Friends of Don Beyer (C00555888) (the “Committee”) submits this filing in response to the Request for Additional Information (“RFAI”) dated August 18, 2026, regarding the Committee’s 2026 July Quarterly Report (the “Report”). The RFAI notes a debt for “Court-ordered restitution payment owed to the Committee,” which was disclosed on Schedule D of the Report. The RFAI states that this debt appears to be related to an unauthorized use of committee funds and informs the Committee that any further clarifying information that it can provide will be taken into consideration. As the Committee noted in the Miscellaneous text on the Report, the debt reflects “court-ordered restitution owed to the Committee by the Committee’s former treasurer.” The Committee’s former treasurer, Katherine Buchanan, has pleaded guilty to embezzlement and a federal court has ordered her to pay restitution to her victims, including the Committee. The Committee has submitted information about this matter to the FEC’s Office of General Counsel. The Committee listed the amount of restitution owed to the Committee as a debt on Schedule D of its report. See Adv. Op. 1991-38 (DeConcini); Adv. Op. 2005-04 (Boehner). Please do not hesitate to contact the Committee with any questions.
