Response Due Date

IDENTIFICATION NUMBER: C00042366

REFERENCE: YEAR-END REPORT (11/29/2016 - 12/31/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule B of your report discloses disbursements with the purpose of "Void Check." Please be advised that if the committee received goods or services from a vendor without making any payment for the services rendered, the committee may be in receipt of a prohibited contribution. 52 U.S.C. § 30118(a) (formerly 2 U.S.C. § 441b(a)) prohibits the receipt of contributions from corporations unless made from separate segregated funds established by the corporations and labor organizations. Any prohibited contribution must be refunded or disgorged. (11 CFR § 103.3(b)(1) and (2)) The refund must be made within 30 days of the treasurer becoming aware of the possible illegality of the contribution. (11 CFR § 103.3(b)(2)) If the identity of the contributor cannot be determined, the committee must disgorge funds to a governmental entity or to a qualified charitable organization described in 2 U.S.C. § 170(c). (Commission Advisory Opinions 1995-19 and 1991-39). Please take and report corrective action or amend your report if these transactions were incompletely or incorrectly disclosed.

2. Schedule F supporting Line 25 of your report discloses a coordinated expenditure(s) on behalf of "Strickland, Ted," which appears to have been made after the general election date. Please be advised that if a service is provided or a communication is aired in one reporting period and the payment is made in a later reporting period, the coordinated expenditure should be reported as a memo entry on Schedule F when the service is provided or the communication is publicly disseminated or distributed, and on a Schedule D if it is a reportable debt

under 11 CFR §104.11. When the payment for the coordinated expenditure is made, the report should show a payment on Schedule F and the same payment on Schedule D, if applicable.

Please amend your report to provide further clarifying information regarding the coordinated expenditures disclosed after the general election date.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
