

FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

RQ-3

November 24, 1999

Bruce R. Brookens, M.D., Treasurer  
American Society of Anesthesiologists  
Incorporated Political Action Committee  
520 N. Northwest Highway  
Park Ridge, IL 60068

Identification Number: C00255752

Reference: July Monthly Report (6/1/99-6/30/99)

Dear Dr. Brookens:

On October 27, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 10, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges your letter regarding the totals for Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page. Please note that Line 11(a)(i) should only include contributions from individuals who require itemization and Line 11(a)(ii) should only include contributions from individuals who do not require itemization. Once you have correctly separated itemized and unitemized contributions, you should add the Column B totals from your previous report to the Column A totals from this report to derive the correct totals for both Lines. Please amend your report and any previous or subsequent reports that may be affected by similar Line 11(a)(i) and 11(a)(ii) discrepancies.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Antoinette Kitchen on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson". The signature is fluid and cursive, with a large initial "J" and "G".

John D. Gibson  
Assistant Staff Director  
Reports Analysis Division
