RE: RFAI letter dated November 24, 2016

Dear Ms. Sinram,

This letter is in response to your RFAI letter of November 24, 2016, regarding errors on our October Quarterly Report for 2016.

Errors on the October Quarterly report originated with the July Quarterly report when I was unable to remember how to include loan payments on our report. I had begun but not finished an amended July report when I did the October report and the software picked up the change in the closing report total that had not been corrected. The July report has been amended, as have the October and post general reports, to reflect the correct beginning and closing cash on hand amounts. These amendments should have corrected the issues mentioned in Item 1 of your letter.

As far as I can tell, the aforementioned amended reports have also corrected the discrepancies mentioned in Item 2.

Please let me know if you have any additional questions.
