**Response Due Date**

IDENTIFICATION NUMBER: C00636092

REFERENCE: 12 DAY PRE-GENERAL REPORT (10/01/2022 - 10/19/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,900 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR § 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if, within 60 days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for each option are provided below.

For reattributions, excessive contributions from individuals can be retained if, within 60 days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(1).

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question.

Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund, redesignate, and/or reattribute the excessive amount will be taken into consideration.

2. Schedule B of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached). The Act precludes an authorized or principal campaign committee from making a contribution to a candidate for federal office in excess of \$2,000 per election. (11 CFR §§ 102.12(c) and 102.13(c))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If the contribution made was excessive, you must notify the recipient committee and either request a refund or redesignate (if applicable) the amount in excess of \$2,000.

If requesting a refund, you also must inform the Commission in writing of such a refund and provide a photocopy of any refund request sent to the recipient committee. The refund must appear on Line 15 of the Detailed Summary Page and on a supporting Schedule A of the report covering the period in which the refund is received.

In regard to redesignations, you can authorize the recipient committee to redesignate the excessive portion of the contribution to another election provided the new designation does not exceed the limitations on contributions made with respect to that particular election. Also, the redesignation must be done within 60 days of the contribution being received by the recipient committee. A contribution can only be redesignated to a previous election provided the recipient committee has net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i)) If the above conditions for redesignations are not met within 60 days of receipt, the excessive amount must be refunded to your committee. See 11 CFR § 103.3(b)(3).

Although the Commission may take further legal action concerning the excessive contribution(s), your prompt action to either redesignate or obtain a refund of the excessive amount will be taken into consideration.

**3.** Schedule A of your report discloses contributions earmarked through a conduit but fails to disclose required information for the conduit(s).

Please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution must be itemized when the individual's total contributions to your committee aggregate over \$200 per election cycle. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution(s) was received by the conduit. Any un-itemized contributions received through the conduit must be included in your totals on Line 11(a)(ii) of the Detailed Summary Page.

In addition, information regarding the conduit or intermediary for each contribution must be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit.

Please amend your report to disclose the proper format for earmarked contributions received from a conduit or intermediary. Please clearly indicate which conduit memo entry corresponds to each earmarked contribution. You can refer to the FEC Campaign Guide for Congressional Candidates and Committees for further guidance on how to report earmarked contributions through a conduit (11 CFR § 110.6(c)(2))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
