

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

Kimber Lee Franz, Treasurer
Ford Motor Company Civic Action Fund
Comerica Bank - Detroit
Detroit, MI 48275

MAY 28 1997

Identification Number: C00046474

Reference: March Monthly Report (2/1/96-2/29/96)

Dear Ms. Franz:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee and its affiliates from making a contribution to a national political party in excess of \$15,000 in a calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$15,000. In the best interest of your committee, all refunds should be made within sixty days of the treasurer's receipt of the contribution.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Although the Commission may take further legal action concerning the excessive contribution(s), prompt action in obtaining a refund will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Reports Analyst
