This submission is in response to the Federal Election Commission's Request for Additional Information dated August 26, 2026, regarding the Committee's Amended April Quarterly Report.

The Committee reviewed its reporting records and corrected the cash-on-hand and election-cycle-to-date information identified in the Commission's letter.

The Committee filed an amended 2025 Year-End Report and subsequently filed amended April Quarterly, 12-Day Pre-Primary, and July Quarterly Reports so that the corrected cash-on-hand and election-cycle-to-date figures properly carry forward through the Committee's subsequent reports.

The Committee believes these amendments address the issues identified in the Request for Additional Information.

Please contact the Committee if any additional information is required.
