The negative expenses on Schedule B, totaling \$9875.20, are cost adjustments for Independent Expenditures previously reported as 24 hour notices. The Independent Expenditures were reported with the best information at the time of dissemination, based on cost estimates from the vendors. The actual cost of these expenditures was less than the estimated amount, and therefore the negative transactions were entered to account for these adjustments. The independent expenditure memos indicated in your letter for Bruce Braley, Kay Hagan, Joe Carr, Milton Wolf, Mary Landrieu and Mark Udall are all allocations of their retainers for services that contributed to Independent Expenditures, unless otherwise noted in Schedule D. As these services are included in their regular retainer, and reported on Line 21b, we reported the portion that was spent contributing towards independent expenditures as memos on Schedule E in order to properly disclose this activity. Should you have any further questions, please feel free to contact us at (706) 534-7780.
