Re: 48 Hour Independent Expenditure Report (9/10/2016)

The Independent Expenditure report filed on September 12, 2016 covering September 10th, incorrectly reported Video Production related to an advertisement that does not show express advocacy opposing or supporting a candidate and therefore should not have been reported as an Independent Expenditure. The correct calendar year-to-date total will be reflected on the Independent Expenditure report that we file today, September 14. The disbursement was reported on the July Monthly Report Schedule B as an Operating Expenditure on July 20th. If any additional costs occur those costs will also be reported on Schedule B in future reports.

Thank you,

Greg Speed
Treasurer
