Reference: 30 DAY POST-GENERAL REPORT (10/17/2024 - 11/25/2024)

Dear Ms. Vivian:

This correspondence is in response to your Request for Additional Information (RAI) for the above referenced report.

1. Regarding contributions from "JBS USA FOOD COMPANY PAC" which has not been disclosed on their report(s) of receipts and disbursements. The Republican National Committee received one contribution from the "JBS USA Food Company PAC" during the period for \$1,500.00 to the Committee's general account. The Republican National Committee reconfirmed receipt of this contribution and it is from the donor's federal account.
2. Regarding contributions from individuals who have a mailing address outside of the United States, the Republican National Committee conducted a reasonable inquiry into whether these contributions were made by a foreign national. Our best efforts procedures that are outlined in our February 20, 2023 Form 99 filing were followed.
3. Regarding the disgorgements to "WOUNDED WARRIOR PROJECT" for "DISGORGEMENT OF EXCESS CONTRIBUTIONS" disclosed on Schedule B supporting Line 29. The Republican National Committee disclosed two disbursements to "Wounded Warrior Project" during the period. The disbursement dated October 30, 2024 for \$7,450.00 was to disgorge an excessive cash contribution that was made through an anonymous donor. Per the FEC guidance, only when the identity of the original contributor is known and the contribution requires itemization should the contribution disgorgement require a memo entry. The disbursement dated November 20, 2024 for \$5,448.00 was to disgorge contributions that were made through known donors. The 30 Day Post-General Report has been amended with memo entries to list those donors.

Please feel free to contact me if you have any remaining questions concerning this matter.

Sincerely,

Joe Gruters
Treasurer
Republican National Committee
