RE: Amended May Monthly Report (04/01/07 04/30/07)

Dear Ms. Dougherty,

A review of the above referenced reports raised a question concerning the identification of each contributor's employment information whose yearly contribution exceeds \$200.00. You also requested clarification of a disbursement made for Member Mailing Postage on Schedule B, Line 29.

Our three-fold process in obtaining employment information is as follows:

First, our original solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law for reporting such information.

Second, individuals whose contributions exceed the \$200 threshold and did not provide the required information are sent a letter, within 30 days of receipt of the contribution, asking for the missing information, without soliciting a contribution; informs the contributor of the requirements of federal law for the reporting of such information, and includes a pre-addressed envelope.

Third, for any information received after the contribution has been reported, an amended report is filed on or before the next monthly filing.

Schedule B Line 29 of our Amended May Monthly Report (04/01/07 04/30/07) lists a disbursement for Member Mailing Postage. The payment for postage reported on Line 29 was used to mail a communication to our restricted class. This expenditure was made on behalf of non-federal candidates and not made on behalf of any federal candidates.

If you have any further questions, I can be reached at 703-267-1155.

Sincerely,

Mary Rose Adkins  
Treasurer
