5000.00

A diagram of a rectangular frame structure. It consists of two horizontal members (top and bottom) and ten vertical members. The vertical members are arranged in two groups of five, with one group on the left and one group on the right. The top horizontal member is connected to all five vertical members in the left group and all five vertical members in the right group. Similarly, the bottom horizontal member is connected to all five vertical members in the left group and all five vertical members in the right group. This results in a total of 12 members (2 horizontal + 10 vertical).
