Please note that our committee follows all federal regulations, including those found at 11 CFR 104.7(a) governing the solicitation of contributors. This committee specifically requests all pertinent information from contributors, including employer and occupation; informs contributors that the committee is required by law to report the same; and, makes a follow-up request for omitted information when necessary. The committee thus complies with the best efforts rules.

Form/Schedule: **SA11AI**

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.
