The Committee includes a statement requesting the required donor information in every solicitation it does. It also includes language informing donors that federal law requires the Committee to request such information from anyone who contributes more than \$200 annually. If a contribution is received without it, a written request for the information is mailed within 30 days, along with a pre-addressed return envelope. Any contributor information received as a result of the Committee's best efforts is reported to the Commission either in an amended report or on the next report it files.
