Form/Schedule: F3XN  
Transaction ID :

The transfers reflected on Sch H3 on 8/12/14 and on 8/19/14 reflect the nonfederal expenses that were paid for and reported on Sch H4 for 7/1/14 - 7/31/14. No expenditure, other than a direct contribution, or exempt activity so identified, was made on behalf of a specifically identified federal candidate. No expenditure not identified and reported as such was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. All expenditures to individuals for rent that do not have a subsequent memo of itemization, represent rent income to those individuals and are not required to be itemized. The salaries and related fringe benefits of employees of the Committee who spent more than 25% of their compensated time during the month of July engaged in Federal Election Activity are reported on Schedule B Line 30(b). Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. The Committee uses the Escrow option for receipt of corporate in-kind donations as provided for by the Commission in Advisory Opinion 1992-33. The method ensures that prohibited sources are not used to fund the federal share of allocable activity expenses. Please see the separate Miscellaneous Report (Form 99) for the in-kind details and the escrow account activity for the month of August.

**SCHEDULE H2 (FEC Form 3X)**

**ALLOCATION RATIOS**

NAME OF COMMITTEE (In Full)  
Republican Party of Florida

**RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT ACTIVITIES APPEARING ON THIS REPORT.**

Methods of allocation:

- I. FUNDRAISING activities are allocated using the "funds received method" where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only:** Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.
