Re: Request for Additional Information (April Quarterly Report, 1/01 - 3/31/2006)

Dear Mr. Hartsock:

This is in response to the Federal Election Commission's analysis of Americans Against Illegal Immigration's April Quarterly 2006 FEC Disclosure Report and your request for additional information concerning that report. Your letter raises the following issues:

1. The report discloses a discrepancy between the figure on Line 21(b) of the Detailed Summary Page and the itemized entries on Schedule B;
2. The report discloses contributions from individuals for which the identification is not complete;
3. The amended report discloses itemized disbursements whose purpose requires further clarification; and
4. The report discloses limited payments for administrative expenses.

For some unexplained reason the FECfile software produced a result on Line 21(b) that differed from the totals of the itemized entries on Schedule B. By re-entering the disbursements related to Debts and Obligations, we were able to eliminate the discrepancy and clear Item #3 as well.

Given that the majority of the contributions received are a result of direct mail solicitations and despite the fact that each appeal includes a clear and conspicuous request for the contributor information as well as occupation and employer; many of the donors do not provide that information on the initial request. The committee, through a follow-up mailing, has obtained a large portion of the missing "occupation and employer" information and has subsequently amended the report.

AAll has neither an office nor a connected organization. The Committee is primarily run by volunteers with the exception of a paid Executive Director. As a result, the administrative expenses are kept to a minimum.

I trust that this response will satisfy the Commissions request for additional information. Please contact me should you require anything further.

Sincerely,

John W. Leuthold  
Treasurer
