REFERENCE: October Quarterly Report (07/01/2023 – 09/30/2023)

Dear Ms. Schleyer-Hinchey:

Brandon for Congress NY22 (“the Committee”) is in receipt of the letter dated December 19, 2023 from the Commission, requesting information on three items related to the above-referenced 2023 October Quarterly Report.

Regarding the first referenced item, the Committee has filed an amended October Quarterly Report to clarify that the refund issued on 09/22/2023 was related to a 2024 primary contribution. The Committee also acknowledges that all refunds must be made within 60 days, and will ensure future compliance with these time frames when/if necessary.

Regarding the second referenced item, the apparent excessive contribution was inadvertently redesignated to the general 2024 election with a date after the end of the October Quarterly reporting period. In the amended Quarterly report, the Committee revised to disclose that the redesignation to the general 2024 election occurred on the date the contribution was received (09/30/2023).

Finally, regarding the third referenced item, in the amended October Quarterly Report the Committee has repositioned the contribution from the unregistered federal committee to be on line 11(a)(i) of the Detailed Summary Page.

I hope this adequately addresses the Commission’s concerns outlined in the letter dated December 19, 2023. Please feel free to contact us if you have any further questions.

Sincerely,

Maria Wojciechowski
Treasurer
